Breakfast and free time at your disposal. We suggest that you see in the largest and richest emirate of the 7 that make up the country:

1. The magnificent mosque dedicated to their beloved Sheikh Zayed (he was the first president of the country and is buried on the left side), and is made entirely of marble and gold. The mosque is the largest in the United Arab Emirates and the eighth largest in the world. A perfect blend of Arabic and Moorish architecture, it manages to impress from afar with its size (as it can accommodate 40,000 pilgrims), its all-white marble and colorful stone patterns, the world's largest carpet of 5,627 meters and its chandeliers of tons of Swarovski crystals.
2. The magnificent 6-star Emirates Palace Hotel which is built with gold, marble, granite and alabaster throughout.
3. Yas Island, which in addition to the Formula 1 track is also home to the largest Ferrari park with the fastest roller coaster in the world, as well as the Ferrari museum. Here is the center of the city's entertainment. See the exterior of the YasMarina Formula 1 circuit home to the Abu Dhabi Grand Prix and the Ferrari theme park, the pioneering cultural buildings rising from Soodiyat Island.
4. Enjoy your free time at the mall.

Transfer to the airport and our return to Athens. The trip has come to an end and we are happily returning with the best memories of our wonderful trip.
